

La Cañada Flintridge Educational Foundation Summer School

Credit Voluntary Waiver Form For Non-LCUSD Students

Date: _____

Student Name: _____

Student grade in fall 2024: _____

Course enrolled in at 2024 LCFEF Summer School: _____

Home School (school that student will attend in fall 2024): _____

LCFEF Summer School is a WASC-accredited program. All of our credit-earning courses are UC approved and NCAA approved. Our courses utilize the same curriculum and textbooks as La Cañada High School. All students coming from a school other than La Cañada High School must have their course pre-approved by their home school at the time of enrollment to ensure their home school will accept the credit.

I understand that by providing this form, rather than the Credit Verification Form, with my student's counselor's signature from my student's home school, my student may not receive credit for course completion from his/her home school.

I acknowledge that the completed Credit Verification Form is strongly recommended by LCFEF Summer School for all non-LCUSD students at the time of registration. In the event that my student does not receive credit for completion of his/her selected course, s/he will accept that the course was voluntarily taken for the purpose of enrichment and not for advancement.
